OCTOBER VOLUME 2, NUMBER 10

## SPECIAL EDITION

No articles this month, but here are some pictures we took from the HALO/GROWW Reunion this past weekend in Niagara Falls. Some older members will see some familiar faces from the past.

On a personal note, thank you to all that attended, it was wonderful to see old friends and meet some news ones.

Here are the links to some photo's. Keep checking the links, I'm sure more will be added as we receive them.

### **Chatting Tips: [staff@groww.org](mailto:staff@groww.org)**

When you do get in to the chat room, are you finding you can't keep up and the screen is too small? Look up at the top right hand corner and click on the button which says FLOAT... it will open a new window... now MAXIMIZE that window by clicking on the square in the upper right hand corner... the square is between the "-" and the "x"... it will make the room larger, then type \*chat font size 14 or 16

If you are having trouble connecting to the chat rooms, you may need to update your java. Are you getting that blue screen when you try to log on? Try this link and follow the instructions, it should solve your problem
